EFT payments: please put your surname and session time as a reference – e.g. J Smith Tue AM

2024 Enrolment Form

Additional Information:

Collins Street Centre Playgroup is run solely by its members and without member participation it would simply not exist. With that in mind, as part of your membership we do ask you to contribute by attending at least one of the busy bees held throughout the year and attendance at the Annual General Meeting (AGM) is also expected. General meetings are held in the Playgroup room once a term (check the Facebook page and emails for dates) and at least one representative from each group is required at those meetings. Volunteering for a Group Leader or Committee role will also help to keep the Playgroup running. These roles are small but essential. Please consider taking a role.

You can also assist in the day to day running by keeping the playroom clean, toy boxes returned to the correct location on the shelves and any used kitchen items returned back in the pantry after each session.

Please note that due to a variety of food allergies, **playgroup is a nut free zone** and we encourage all food to be consumed outside wherever possible. If you or your child has an allergy, we recommend that you make it aware to all in your playgroup session.

For the benefit of all members of the playgroup, if you or your child is sick we strongly recommend not to attend your playgroup session. Where a child has an infectious disease (such as chicken pox, German measles or whooping cough) your GP can advise of the minimum exclusion time from school/day care and this also applies to playgroup.

Sunscreen is available to all and is located on top of the first aid box. We also recommend a 'no hat no play' culture with positive role modelling from carers.

For more information on Collins Street Centre Playgroup health policies please refer to the document on the website: www.collinsstreetplaygroup.com.au
