## Enrolment Form

### Additional Information:

Collins Street Playgroup is run solely by its members and without member participation it would simply not exist. With that in mind, as part of your membership we do ask you to contribute to keeping the playroom clean, toy boxes returned to the correct location on the shelves & any used kitchen items returned back in the pantry after each session. You will also be expected to attend *at least* one of the three Busy Bee's held throughout the year. Attendance to the Annual AGM is expected.

Committee meetings are held in the playroom twice per term and all are welcome to attend.

Please note that due to a variety of food allergies, playgroup is a **nut free zone** and we encourage all food to be consumed outside wherever possible. If you or your child has an allergy, we recommend that you make it aware to all in your playgroup session.

For the benefit of all members of the playgroup, if you or your child is sick we strongly recommend not to attend your playgroup session. Where a child has an infectious disease (such as chicken pox, german measles or whooping cough) your GP can advise of the minimum exclusion time from school/daycare etc and this also applies to playgroup.

Sunscreen is available to all and is located on top of the first aid box, we also recommend a 'no hat no play' culture with positive role modeling from carers.

For more information on Collins Street Playgroup health policy's please refer to the document on the website:
